Invitation

Registration now open

On behalf of the organising committee of the 2018 NR-SIG-WFNR conference, we would like to invite you to Prague in the iconic Czech Republic to attend this prestigious international conference. This is a multidisciplinary conference incorporating all rehabilitation disciplines: Neuropsychology, Clinical Psychology, Occupational Therapy, Speech and Language Therapy, Physiotherapy, Social Work, Medicine and Nursing. The conference focuses on the rehabilitation of the neuropsychological consequences of brain impairment and will include but be restricted to the following topics:

- empirical studies evaluating treatment programs (group studies, single-subject designs/case descriptions);
- technological applications and advances;
- theoretical models;
- interdisciplinary approaches;
- pharmacological interventions;
- development of assessment instruments
- family and carer issues;
- service development and clinical initiatives;
- cultural issues;
- social policy;
- topic reviews

We look forward to seeing you in Prague, Czech Republic in July 2018!
